

NATIONAL SPACE GRANT FORUMS

Eric Lloyd Day
Grand Forks, North Dakota
September 14, 2017

INTRODUCTION

- A need for a private, secure forum was discussed at the ExComm meeting in DC - forums in which Directors and Coordinators could exchange information, files, etc., quickly and efficiently.
- Private forums for Space Grant Directors and Coordinators (lead institution personnel only).
- Different from current Directors' and Coordinators' email listservs in that information and documents will be organized, searchable, and archived.
- Must be approved by Administrator (yours truly) to gain access after completing registration process (more on that later).
