Day 5: Team Presentation, Award Ceremony & Closing Remarks

- ECC Division of Biology, Chemistry, & Physics Chair and Faculties Showed Tremendous Help & Support Through the Entire Event.

“The Onsite Five Days Event was a huge success. Students lived NASA Experience through our replicated Campus Environment which made a huge impact on our students and motivated them to apply for NASA Summer 2020 Internship programs”

The presence of
NCAS Program Manager
Ms. Baturoni & her
ECC Assistant *Ms.
Karen Whitfield* was
inspiring.
Their Advice, Expertise
and Professionalism
through the process
made it possible.

ECC Adminis, Staff, & Faculty was supportive
& Participated in the Program
As Mentors & Judges
