Membership

- NASA Academy Directors
  - Ames: Douglas O’Handley
  - Glenn: David Kankam
  - Goddard: David Rosage
  - Marshall: Frank Six
- NASA Headquarters - Office of Education: Diane DeTroye
Membership Cont’d

- Space Grant Directors National Council (2)
  - Jack Higginbotham - Oregon
  - Alec Gallimore - Michigan
  - Terry Teays - The Johns Hopkins Univ. / NASA Diversity reviewer
Membership Cont’d

- NASA Academy Alumni Association
- 3 positions for EC members
- 3 additional positions for other alumni members
- Industry (4)- one per Academy
Charter

- Strengthen alignment of all Academy Programs
- Establish a single, authoritative forum for discussion of relevant issues
- Provide coordinated input to the Directors on Academy processes, policies and plans
- To inform the Space Grant Partners of all the relevant activities of the NASA Academies
NASA Academy Strategic Plan

NASA ACADEMY MISSION:
To Strengthen the U.S. Aerospace Program by Attracting and guiding its future leaders

THREE STRATEGIC GOALS

• IMPACT - Have a direct impact on the U.S. Space Program

• PARTNERSHIP - Strengthen partnerships with the Alumni, Space Grant, Industry, Academia (Advisory Committee)

• DIVERSITY - Help U.S. Aerospace Program enroll high caliber participants that reflect demographics of American Higher Education
2007 Academies

There will be four Academies

Ames, Glenn, Goddard, and Marshall

The dates for the Academies vary

Ames June 23, 2007 to August 31, 2007

Tied to the University quarter system

Selection Process

- Applications deadline (Online)
  - January 16, 2007
- Initial screening by NAAA completed
  - January 29, 2007
- Space Grant, Mentors, and NAAA Formal Review
  - January 29 - February 19, 2007
- Centers selection complete
  - February 22, 2007
- Space Grant and Student notification
  - February 26 - March 19, 2007
Criteria for selection

- Academic excellence
- Demonstrated leadership
- Demonstrated interests in Space
- Appropriate background for selected research tasks
- Recommendations (2)
NASA Academy at Ames for Space Exploration

- 12 students will be selected
- Housed at Stanford University
- Trips will include DFRC, JPL, and JSC, and Air Force Academy
NASA Academy at Glenn

- 8 - 12 students will be selected
- Trips will include Goddard, JSC
NASA Academy at Goddard

- 16 - 20 students will be selected
- Housed on the campus of the University of Maryland
- Trips will include, Marshall, JSC, Langley, Wallops and Air Force Academy
NASA Academy at Marshall

12 students will be selected
Trips will include Goddard and JSC
