

# ESMD Working Group

- Current ESMD / Space Grant Cooperations
  - ESMD Space Grant Faculty Fellow Program
  - Lunabotics
  - Systems Engineering Curriculum Development
  - Systems Engineering Paper Competition
  - UteachEEngineering
  - National Space Grant Foundation
    - Undergrad & Grad Systems Engineering Materials
    - X-Hab Competition
    - Other ?

# ESMD Working Group

- Future Activities / Trends
  - Work with ESMD to improve faculty program processes –Committee
  - Re-create program like NASA/ASEE Summer Faculty Program (research focus)
  - Decreasing number of interns
  - Additional design topics / mentors
  - Partner with SG Rock-On Activity
  - Look for ways to involve students outside of class
