

# STEM AND THE FUTURE WORKFORCE: THE MESSENGER MATTERS

Brian Chad Starks, Ph.D.  
Delaware State University  
National Council of Space Grant  
Directors' Spring Meeting  
February 27, 2014

HOW MANY OF YOU HAVE  
HAD AN AFRICAN-  
AMERICAN PROFESSOR  
ALONG YOUR  
EDUCATIONAL JOURNEY?

# WHAT CAN WE DO?

- ◉ More minority Ph.D.s in STEM
- ◉ Sociological perspective
  - Being honest about race, class, & gender
- ◉ Step outside your comfort zone
- ◉ Ethic of care
  - Working with minority students

BE THE MESSENGER!
