Apollo 11
50th Anniversary Rocket Launch
On July 16, 1969, at 9:32 am EDT...
What is the Apollo 50\textsuperscript{th} Anniversary Rocket Launch Event?

- At 9:32 EDT on July 16, 2019, the U.S. Space and Rocket Center will be launching 5,000 model rocket kits, simultaneously, in honor and recognition of the 50th anniversary of the lift-off of Apollo 11.

- Around the world, our partners will also launch either model rocket kits or air-powered “stomp” rockets, at 9:32 local time wherever they are, in honor of the lift-off of Apollo 11 at 9:32 local time at Launchpad 39A at Kennedy Space Center.
Who is partnering with the USSRC on this?

**Partners include:**

- NASA – The National Aeronautics & Space Administration STEM Outreach
- Estes Rockets is a “Rocket Team” member providing technical and safety assistance.
- Homer Hickam, author of “Rocket Boys” and Chairman of the USSRC Board of Directors is a “Rocket Team” member.
- AIAA, AIA, ASGC, the National Association of Rocketry, Boys Scouts, Girl Scouts and Space Camp Alumni organizations have joined the “Rocket Team”.
