2004 NASA Appropriations Bill Language

The Conference Bill passed on Dec 8th, 2003 by the House, and later by the Senate and then signed into law, contains the following language:

EDUCATION PROGRAMS

The Committee has included \$25,325,000 for the National Space Grant College and Fellowship program. This amount is an increase of \$1,225,000 to the fiscal year 2003 pre-rescission appropriation of \$24,100,000 and an increase of \$6,225,000 to the budget request.

The amount provided will fund the current core programs in 52 Space Grant Consortia, including 35 states at \$475,000 each (including 7 upgrades), 17 states at \$300,000 each and \$3,600,000 for Workforce Supplement Awards.
